REPORT OF THE BI-CENTENNIAL COMMITTEE

It is often said "Anticipation is greater than realization". Few Goffstown residents, however, would apply this old saying to our Bi-Centennial celebration for its success surpassed our wildest expectations.

A paragraph of an editorial in the Goffstown News, I think, expresses the feelings of all of us who participated in our town's largest and most spectacular celebration.

> "It is hard to spot where the observance of the Town's 200th Anniversary could have been improved upon. From the train ride, the pageant, sunset invocation on opening day, right through the last firecracker of the fireworks display Saturday night, the spectacle was terrific."

The week's exhibition of organized team work and co-operation should be an inspiration and a help to us all in dealing with the many problems in our Town that call for united action.

Alfred W. Poore, Jr.
General Chairman

BI-CENTENNIAL FINANCIAL REPORT

Deficit Appropriation		1,150.00
Cash on Hand		$ 257.03

Cash on hand returned to Town Treasurer February 7, 1962

Bernice Kidder, Treasurer

SELECTMEN'S REPORT

To the Citizens of the Town of Goffstown:

In the past few years we have witnessed many changes in our community:—the elementary school, the sewage treatment plant with its many extensions, and although the people living on High Street have experienced many inconveniences due to sewer construction and the building of the new highway, we are sure that with the completion of these projects, many problems will be alleviated which would have had to be faced in the future, such as storm drains, etc. Next summer when the slopes are graded, loamed and seeded and the grass starts to grow, we know that the people concerned will be proud of the street which will enhance the beauty of their property.

With the developing of new areas, namely Woodhaven Acres on Route 13 off New Boston Road, Westwood Drive off Bog Road, the building of many new homes at Ledgewood and the continued expansion of

the Pinardville area, more services are warranted. We feel that the two burning dumps should be done away with and a Sanitary Fill project should be studied and adopted. We already have the site which has been bulldozed to a thirty percent grade at no cost to the Town, so if the people will appropriate enough money to warrant a pick-up service and the necessary compaction operation, we are confident that after a year of operation a minimum cost can be obtained. In that time we will have learned what is right for us.

The Selectmen wish to extend their sincere appreciation for the co-operation received from all departments. We know that the feeling of all personnel is for the best interests of the Town which in these times with tax problems are desired.

We wish to thank the Bi-Centennial Committee, headed up by "Bill" Poore, for the excellent job done. It is a wonderful feeling knowing that with these fast moving times there are some citizens who will sacrifice much of their private time and lives and dedicate it to the Town in which they live.

1962 will probably be another year of rising costs. All citizens of the Town should take their voting privilege seriously: use it wisely, analyze the budget and warrant and instruct others. By so doing we can keep our tax rate within reasonable limits.

Under the able leadership of Lawrence Shirley, the Zoning Committee has made great strides in controlling the influx of trailers and junk yard. Attorney Richard Kohls and Mr. Edmond Neveu of the Adjustment Board have held many meetings and hearings which must have helped both the Town and those making an appeal. Another year and the problems should be pretty well ironed out.

In the past few years, many projects have been completed. The salt shed, which in the opinion of salt truck drivers is the best in the State, also saves the Town approximately Four Thousand Dollars a year. The bridge at Parkers Station, which many can remember as an old rumbling wooden bridge, was replaced with a steel and cement unit purchased on a sixty-forty basis with the State. The Town's cost was Five Thousand Dollars—sixty percent of actual.

When the Manchester Police Department cut us off on radio service, we had to install our own. With the co-operation of the Motorola Company and the Civil Defense Office standing half of the expense, and with the adding of the Red phone (fire) and the blue phone (police) we have as good coverage as any town in New Hampshire. With the Police and Fire Departments' new building in the offing, to be constructed on land to be purchased from the Cardast Corporation on Church Street for Four Thousand Dollars, we feel that Goffstown will continue to progress and the years to come will be periods of achievement.

TOWN OFFICERS 1961

1962 TOWN WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Goffstown in the said County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 13th of March, at ten o'clock in the forenoon, except those who reside in the Fifth District Voting Precinct, who are notified to meet at the Fire Station in said Precinct at 10:30 o'clock in the forenoon to act on the following subjects:

(Polls close at 7:00 P.M. at the Central Polling Place and at 6:30 P.M. at the Fifth District.)

None of the articles in the warrant, except those relating to the election of officers and those covering questions on the ballot, shall be considered during the time that the polls are open.

1. To choose all Town Officers and Agents for the ensuing year, including a member of the Board of Selectmen for three years.

2. To see if the Town will vote to adopt the budget as submitted by the Budget Committee in the amount of Three Hundred Eleven Thousand Six Hundred and Sixty eight Dollars and seventy-eight cents ($311,668.78) and raise by taxes the sum of Two Hundred Forty Thousand Seven Hundred and fifty Dollars and forty-four cents ($240,750.44), (county tax not included).

3. To see if the Town will vote to authorize the Selectmen to borrow at times such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.

4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Tax Collector's deed or by gift.

5. To see if the Town will vote to accept State Aid for improvement of Class Five Roads, under Apportionment A, and to raise and appropriate the sum of Sixteen Hundred Seventy-five Dollars and fifty-two cents ($1,675.52) and the State to contribute Eleven Thousand One Hundred Seventy Dollars and twelve cents ($11,170.12).

6. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars ($4,000.00) and

to give the Selectmen the authority to purchase for that amount all of the property surrounding and adjoining the Fire Station presently owned by Cardast Corporation, for use of the Town.

7. To see if the Town will vote to raise and appropriate the sum of Fifty Five Thousand Dollars ($55,000.00) for the construction of a building to house Police and Fire Departments to be located on Church Street. The sum of Fifty Five Thousand Dollars ($55,000.00) to be raised through the issuance of serial notes or bonds under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the Revised Statutes Annotated) and any amendment thereto, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and the time and place of payment and conditions of sale thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale and delivery of such notes or bonds as shall be in the best interest of the Town of Goffstown.

8. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars ($200.00) for a fence around the swimming pool at Pinardville Playground.

9. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars ($1,200.00) to fence in baseball diamond at Barnard Playground.

10. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars ($1,000.00) to purchase land in back of Barnard Playground of approximately four acres now owned by Grover Peaslee.

11. To see if the Town will vote to raise and appropriate a sum not to exceed Three Hundred Fifty Dollars ($350.00) to treat the waters of those portions of the Piscataquog River known as Glen Lake and Kelley's Falls for the elimination of the algae growth presently polluting these waters. Inserted by petition.

12. To see if the Town will rescind the vote taken at the Annual Town Meeting March 1960 adopting the provisions of the Municipal Budget Law. It is requested that this article be put on the ballot. Inserted by petition.

13. To see if the Town will vote to accept Zan Lane, running south from Kennedy Hill Road. Inserted by petition.

14. To see if the Town will vote to accept by deed, and resurface Riverview Park Road approximately five hundred (500) feet westerly from Manchester line. Inserted by petition.

15. To see if the Town will vote on the following petition: Part I. That no one be allowed to install or use mechanical speakers or microphones for speaking or music on the outside of their buildings or on the roads and streets that lie within areas that have been zoned residential. The following would be exempt from this ordinance: churches, church organizations, public organizations and sound trucks used for elections, bazaars, or public organizations.

Part II. That nobody be allowed a permit or license to retail or wholesale hard liquor or beer in any restaurants, cafes, diners or lunchrooms in any areas that lie within areas that are zoned residential. Inserted by petition.

16. To see if the Town will vote to authorize the Selectmen to file in behalf of the Town an application (in form and manner required by the United States and in conformity with P. L. 560, 83rd Congress) and do whatever else may be required for an advance, in the amount of Ten Thousand Dollars ($10,000.00) to be made by the United States to the Town of Goffstown to aid in defraying the cost of preliminary report and plan preparation for water supply facilities for the Town of Goffstown and, further, to see if the Town will make the necessary arrangements to provide such additional funds as may be required to defray the cost of preparation of the report and plans.

17. To hear the reports of Agents, Auditors and Committees and to pass any vote relating thereto.

18. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty sixth day of February 1962.

Laurence E. Whitten
Donald F. Fairbanks
Wilfrid J. Cloutier
Selectmen

ANNUAL TOWN MEETING
1961

Goffstown, N. H.
March 14, 1961

Meeting called to order at 10:00 O'clock A.M. by Moderator David V. Prugh, and Article #1 of Warrant read. Reading of the balance of the Warrant was suspended until seven o'clock P.M.

Check lists for voting were posted and ballots for the Fifth District Polling place counted, sealed and delivered to the Moderator for said Fifth District along with the Ballot Box.

Upon motion duly made and seconded, voted that the polls now be opened for voting, that Article #9 be acted upon at the same time as the voting for Town Officers; that the balance of the Warrant be read and acted upon at 7:00 o'clock in the afternoon; that the polls close at 6:30 P.M. at the Fifth District and at 7:00 P.M. at the Central Polling Place, and that our next Town Meeting be opened at 10:00 O'clock in the forenoon at the Central Polling Place and 10:30 o'clock at the Fifth District Polling Place.

Polls were open for voting until 6:30 P.M. at the 5th District and 7:00 P.M. at the Central Polling Place.

At seven o'clock P.M. the meeting for consideration of other matters in the Warrant was called to order.

ARTICLE 1. Officers elected in open meeting:

For Auditors—Benjamin F. Greer, Frank W. Bartlett and Carl B. Pattee who took the oath of office in open meeting.

For Surveyors of Lumber and Corders of Wood—Benjamin F. Greer, Lawrence W. Shirley, Gerald Upton, Arthur J. Grant and Robert McDougall. Greer, Shirley and Upton took oath of office in open meeting.

For Fence Viewers—Voted that the Board of Selectmen serve as fence viewers.

For Cemetery Trustee for three-year term—Mildred Dearborn elected.

For Fire Wardens for three-year term—Earle Corning and Carl B. Pattee were elected and took oath of office in open meeting.

ARTICLE 2. Budget:—Mr. Bigelow, Chairman of Budget Committee, explained the various amounts of the budget approved by them. After some discussion regarding the amount to be raised for skating rinks, a motion was made and voted in the affirmative that we act upon this item separately.

Upon motion by Hedley G. Pingree, voted to increase the amount for skating rinks to ($500.) Five Hundred Dollars. A motion made and carried that the amount of the budget be increased to $310,349.43 and the budget as amended be adopted.

ARTICLE 3. Voted to adopt this article authorizing the Board of Selectmen to borrow money in anticipation of taxes.

ARTICLE 4. Voted to adopt this article authorizing the Selectmen to dispose of any real estate acquired by the Town through Tax Collector's deed or gift.

ARTICLE 5. Voted to act favorably on this article, the amounts to be raised being included in the budget.

ARTICLE 6. Upon motion made and supported, voted to act favorably on this article calling for the purchase of four Scott Air Paks. An objection to this was raised by the Budget Committee. Voted to recess for five minutes and that the Budget Committee reconsider the matter. Upon resuming order the Budget Committee stated their position remained the same as to the purchase of the Scott Air Paks and moved that the action taken under Article 2 be reconsidered at this time. Motion was voted in the affirmative.

ARTICLE 2. The Budget Committee moved that the amount of the Fire Department budget be increased by $550. for the purchase of new equipment. Motion was seconded. An amendment to this motion increasing the amount to $1100.00 was made, seconded and voted in the affirmative. The original motion as amended was then voted in the affirmative. Total amount voted for Fire Department budget—$28,601.00.

ARTICLE 7. Amount requested for skating rinks approved under Article 2—Budget.

ARTICLE 8. Motion to dismiss was duly seconded and voted in the affirmative.

ARTICLE 9. Town Manager Plan was voted for on the Australian ballot as follows: Yes 367 No 571

Model of Uncanoonuc Incline Railway at Bi-Centennial Garden Show.

Gaily decorated Grange Hall on Church Street.

Old fashioned house in Garden Show.

ARTICLE 10. Moved and seconded that this article regarding purchase of land for a parking lot be dismissed. Voted in the affirmative.

ARTICLE 11. To rescind 1914 vote on Australian ballot. Motion made and seconded that we act favorably on this article. By a show of raised hands the motion was lost by a large majority.

ARTICLE 12. Gift of land by Carl Farnham for Glenwood Drive. Voted to accept said strip of land.

ARTICLE 13. Gift of land by Robert Hall for West-Wood Drive. Voted to accept said strip of land.

ARTICLE 14. Zoning Ordinance—Mr. Lawrence Shirley spoke on the ordinance and answered questions put to him. Moved and seconded that we act favorably on the Article. Voted in the affirmative by a large majority.

ARTICLE 15. Voted that the printed reports be accepted. A rising vote of thanks was extended to the Zoning Committee for their fine work on zoning.

Alfred W. Poore, Jr. reported on the plans for the Bi-Centennial Anniversary to be held in July and August.

ARTICLE 16. It was moved that the Clerk be instructed to inform the Chairman of the Committee on Municipal and County government of the House of Representatives and the Senator from this district that this meeting wishes to be recorded as highly favorable to the passage of House Bill #28. Motion seconded. Voted in the negative.

It was moved and seconded that the Moderator appoint a committee of three voters to meet with a committee appointed by the school district moderator to work out a plan whereby the annual balloting for school district officers may be carried out, on separate ballots, at the same polls and at the same time as the annual balloting for town officers, that, if necessary, to bring about this plan the committee endeavor to have a permissive statute enacted at this session of Legislature, that the committee make a report at the next annual meeting. Motion voted in the affirmative.

Selectman Laurence E. Whitten spoke on the problem of Town Dump of the sanitary fill type.

Ballots were counted with the following results:

Names on Check Lists at Central Polling Place ... 2110

Names on Check Lists at Fifth District Polling Place 1789

	Cent. P.P.	5th Dist. P.P.

HIGHWAY DEPARTMENT

Our Highway Department, under Horace Shirley as Road Agent, has had a busy season, with the extra road building of one quarter mile on High Street plus many other projects not figured in appropriation. The money spent on the one-quarter mile on High Street, built by the Town, came from the money left over from the sewer project. This, of course, had nothing to do with the lower end of High Street which was a State and Town project with matching funds, and will be completed this spring.

We now have seventy eight miles of paved roads and forty two of gravel. We resurfaced thirty miles of road and built approximately one mile of new roads located in Moose Club Park, Knollcrest Road, and Schoolhouse Road in Grasmere.

Other projects were the installation of a culvert, two catch basins and storm drains at Rockland Avenue, Pinardville, and catch basin and storm drain on Bog Road.

The Highway Department lays all sewer extensions and builds the manholes. Seven hundred feet of sewer

Horace L. Shirley, Road Agent.

pipe were laid on Summer Street, Second and Third Avenues, plus four manholes.

The Highway Department men care for the cemeteries, paid out of cemetery funds.

Seven hundred tons of salt, and many tons of sand, were spread this year.

So, with the cutting of brush, removing of snow, repairing of roads and railings, and taking care of many other unforeseen jobs and complaints, we feel that we are fortunate to have accomplished what we have in the year 1961, which year, we believe, was one of progress.

REPORT OF GOFFSTOWN LIBRARY TRUSTEES 1961

The Trustees of the Goffstown Public Library are always grateful for the opportunity to speak to all of you through the Town Report.

Our report is always filled with thanks to organizations and friends. On the other hand, it would be a sad day if your library could no longer say "thank you" for the hours of volunteer work given: for sorting old books, stacking books, assisting at story telling, participating in Library Week and providing displays.

Our public and grateful thanks go to the Shirley Club and the Unity Club for their generous gifts, the Garden Club, the Goffstown Lions Club for the new set of Colliers Encyclopedias, and the family sponsoring the Summer Incentive Reading Program, and to Mrs. George Lajoie for the bountiful and beautiful Christmas decorations.

The large as well as the small donations are given through thoughtfulness or in memory of loved ones

and this spirit has helped your Library grow beyond all expectations.

"The printed word, like our daily bread, is essential to life."

Donovan Stevens, Chairman	Esther Paige
Martha Dodge, Treasurer	F. Arthur Bartlett
June Goff, Secretary	Francis Buckley

REPORT OF THE LIBRARIAN 1961

Again this year the Library has continued to show growth. Our book collection is improving both in quality and quantity. A small yearly increase in the book budget is helping us to provide a more comprehensive and up-to-date selection of books. The Librarian has been greatly aided to a better understanding of all phases of library work by her attendance the past two summers at the Institute of Public Library Techniques, which is conducted by the State Library at the University Library in Durham. This is a four year course and covers all phases of Library Technique. A further development we have encouraged this year, has been the larger number of school classes visiting the Library in groups. Instruction is given by the Librarian in the plan and use of the facilities.

An important survey of New Hampshire Public Libraries was made this past year through the resources of the University. We have a copy of this committee's findings and I urge every interested citizen to read this. It is very enlightening and can assist Goffstown in making her Library a more valuable asset to the community—an information center ready to assist every citizen.

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook—yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness—our carelessness. This, we—you and I, can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you:

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned. Everyone will benefit by it.

1961 Fire Board

Number of fires	5
Number of acres burned	2, 1/6
Number of permits issued	270

Winthrop Hannaford
District Fire Chief

Theron Morgrage
Forest Fire Warden

TO THE CITIZENS OF GOFFSTOWN

The Board of Fire Wardens and Chief would like to bring to your attention the article in the warrant pertaining to the building of a new fire station.

We have felt for many years that it was needed. We do not believe many citizens of Goffstown realize that we have approximately $100,000 worth of equipment in the present station.

We would not like to see the the same thing happen to the fire station that happened to the old highway garage and equipment June 1, 1958. If this happened we would be without fire protection for quite some time. Buying a fire truck is not like buying a car. We cannot go to a show room, pick out a truck and drive it home. It takes from three months to a year to get a fire truck built and delivered.

Conditions at the fire station are such that the longer it is put off the smaller the odds grow. Furthermore, to think of fixing the present station would mean an ex-

penditure of about one third of the cost of the new station.

We have had several meetings and competent counsel during the past year: hence, the $55,000 figure. The fifteen men working on this are satisfied that it can be built for that figure and possibly it will be less.

We are asking that you give this serious thought before voting time. If you care to see for yourselves the reasons why we are asking you to appropriate this money, come to the fire station and we will gladly show you around.

In conclusion we would like to bring to your attention other plans and expenses we will have in the future.

1. There being no hall for voting, socials, etc. in Pinardville, the fire station is used quite frequently. We believe that most residents in Goffstown do not realize that the fire station in Pinardville does not belong to the Town of Goffstown. It is owned by the Firemen's Association. We feel that this is one of the next projects we should consider. This would leave the present station available for such activities.

2. At the local station there is one truck 32 years old. This should be replaced. This cannot be done until the new station is built. The present station would not house it without some major and costly alterations.

3. We would like to start a lay-away plan for replacing the trucks as they become antiquated. We do not feel that we should ask you to do this until we can get some of these other expenses taken care of. Ages of the trucks as of this year are: 1930, 1940, 1950, 1951, 1954 and 1957.

WELFARE DEPARTMENT

We would like to comment on the fact that the aim of the Public Welfare program is to meet the basic needs through financial assistance and service of those townspeople who are unable to meet them through their own efforts or resources. During the past few years we have investigated every welfare case and have found some recipients whose circumstances have changed since applying for aid.

We have procured work for some, coerced the doctors and hospitals to give us lower rates for relief cases, and have reduced the relief expenditures from $15,061.00 in 1957 to $11,572.78 in 1958; $9,872.11 in 1959; $5,903.45 in 1960, and this year of 1961—$6,770.57.

The Board of Selectmen feels that it has saved the taxpayers considerable money through time well spent.

STREET LIGHTING INSTALLATIONS 1961

LOCATION	INSTALLATION
Larch Street	3500 Lumen
Larch Street	3500 Lumen
Elmwood Avenue	3500 Lumen
Bartlett School	3500 Lumen
Joffre Street	3500 Lumen
Joffre Street	3500 Lumen
Warren Avenue	3500 Lumen

Libby Street		3500 Lumen
Libby Street		3500 Lumen
Shirley Hill Road (St. Anselms)		3500 Lumen
Moreau Street		3500 Lumen
Lynchville Park		3500 Lumen
Grasmere		3500 Lumen
North Mast—corner High Street	(2)	11000 Lumen
Rosemont Avenue—changed from 1000 to		3500 Lumen
High Street—changed 8 lights 2000 to		3500 Lumen
Elm Street, Lakeview Lane		3500 Lumen
Knollcrest Road		3500 Lumen

Cost to the Town of a 3500 lumen light is approximately $5.00 per month.

GOFFSTOWN COMMUNITY GARDEN CLUB

The purpose of the Goffstown Community Garden Club is to create interest in gardening and encourage beautification of homes and community.

It was organized in 1933 and is a member of the N. H. Federation of Garden Clubs.

The activities of the Club include directing the work on the commons of the town which has gained state recognition, and sponsoring a high school boy or girl at Bear Brook Conservation Camp each year, donating gardening books to the public Library, supporting the Society for the Protection of New Hampshire Forests and making Christmas favors for the Moore General Hospital.

Old fashioned house in Garden Club flower show.

For the town Bi-Centennial celebration in 1961, the club staged a flower show and entered a float in the parade.

REPORT OF THE PLANNING AND ZONING BOARD

Your Planning Board met in April to discuss and detail the direction of its 1961-1962 efforts. The majority of the Board felt it would be wise to let the Board of Adjustment get well organized and work on the zoning ordinance for several months before meeting with its members to see if they recommended any major changes in the zoning ordinance.

The two boards met in October and agreed that finding a trailer park site somewhere in town constituted the most pressing problem. The Planning Board, individually and collectively, has made every effort to this end, but has as yet been unsuccessful.

The Planning Board, aided by the Manchester Water Works and the Goffstown Water Precinct, mapped the Town's water systems: this should help us to forecast the direction of Town growth. To further aid our planning, we also mapped the Town's existing sewer systems.

Messrs Nickerson, Foss and Cloutier, as a committee, have met with the Selectmen to consider the much needed extension of water mains in the Pinardville District.

At the Town Meeting we hope to have zoning maps for all who wish them.

We of the Planning Board wish to thank the Town's citizens for supporting us in our efforts to ensure a better future for Goffstown.

PROPOSED WARRANT FOR ANNUAL PRECINCT MEETING

March 20, 1962

To the Inhabitants of the Goffstown Village Precinct qualified to vote in Precinct affairs.

You are hereby notified to meet at the Town Hall in said Precinct on Tuesday March 20th 1962 at 8:00 o'clock in the afternoon to act upon the following subjects.

ARTICLE 1

To choose all necessary officers for the ensuing year including a Moderator, Clerk and Auditors.

ARTICLE 2

To Elect one member of the Board of Water Commissioners for Five (5) years.

ARTICLE 3

To see if the Precinct will vote to allow the Board of Water Commissioners the right to hire money in excess of Three Hundred Dollars ($300.00) due to any emergency.

ARTICLE 4

To see if the Precinct will vote to authorize its Board of Water Commissioners to levy a tax on all Real Estate in said Precinct the same not to exceed the amount of Ten Thousand Dollars ($10,000.00) for the purpose of installing a chlorination plant as required by the State Board of Health.

ARTICLE 5

To hear the report of various Officers of the Precinct and pass any vote relating thereto.

ARTICLE 6

To transact any other business that may legally come before said meeting.

Carl K. Hardy, *Auditor*

REPORT OF THE BARNARD PLAYGROUND TRUSTEES

Activity at Barnard Playground reached a new high in 1961. Enrollment for the eight week program far surpassed other years, under the direction of Norton Phelps, Jr. of Springfield College, and Deborah Anslow of Goffstown High School.

The Bi-Centennial celebration events held at the Playground were well attended.

Improvements made during 1961 include:

Painting of Grand Stand
Partial Basketball Court

* Storage Shack for Equipment
(*supplied by Babe Ruth League)

In 1961 the Trustees had the Playground surveyed and permanent markers set in concrete. This was the first step in a contemplated long range program to benefit the children of Goffstown. The program which will be spread over a three year period will include fencing, improvement of ball field and filling the swamp for a practice ball field.

The Trustees are asking for a special appropriation this year for the purchase and erection of fencing on the east and north side (approximately six hundred and fifty feet) to keep the ball field free of cars.

The Trustees feel that this is a much needed improvement and worthy of your consideration.

We wish to thank all the people of Goffstown for the co-operation and interest they have extended to help us make ours one of the best playgrounds in the State. Only through your continued co-operation can we best serve you.

Respectfully submitted

Harry J. Anslow, *Chairman*
Norton Phelps
Norman Colburn
Paul Karanikas

SUPERINTENDENT OF SCHOOLS

Charles H. Minnich

TEACHER CONSULTANT

Spiro A. Anastos

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Goffstown:

Many of the achievements listed in last year's report have been continued and expanded during this past year. These could not have been possible without the excellent cooperation of a competent staff of teachers, understanding parents and other citizens ready to help whenever necessary.

However, instead of detailing the fine educational progress we have been able to maintain, I will limit the scope of my annual report to the consideration of the major problem facing us at the present time. That problem is to provide adequate classroom and building space for our rapidly expanding pupil population.

The following information is being disseminated in order that all voters might have as complete background knowledge as possible in order for them to make the best decision in terms of the welfare of their children and the community and the amount of money involved.

Present Total Enrollments by Grades and Schools

(All figures as of October 23, 1961)

(All figures as of October 23, 1961)

Projected Enrollment From Engelhardt Report

Grades	58-59	59-60	60-61	61-62	62-63	63-64	64-65	65-66	66-67
1-6	531	539	573	603	653	704	739	775	806
7-8	147	170	177	169	167	159	187	211	219
9-12	228	246	265	307	326	344	345	330	358
Total	906	955	1015	1079	1146	1207	1271	1316	1383

It is interesting to note the high degree of similarity between our local projections and Dr. Engelhardt's in regard to the total population figures.

Elementary Classrooms in Goffstown Schools as of September 1961

	Bartlett	Grasmere	White	Maple Avenue
In use:	4	2	6	16
Available:	1	0	0	0
Total:	5	2	6	16

The capacity of our schools, excluding the High School, based upon 25 and 30 children per room, is as follows:

	25 per room	30 per room
Bartlett	125	150
Grasmere	50	60
Maple Avenue	400	480
Total—Grades 1-6	575	690
White Building	150	180
Total—Grades 7-8	150	180

High School Classrooms as of September 1961

Classrooms	Special Areas
7 Classrooms	1 Home Economics Room
1 Science Laboratory	1 Shop
1 Science Room	1 Library
1 Business Room	1 Teacher's Room used as business classroom
1 Study Hall	1 Cloak room used as a foreign language classroom
	1 Gymnasium

A high school's capacity, class organization and size is quite different from an elementary school. Dr. Engelhardt reported that the capacity of our high school was 280 students based on its eleven classrooms, gymnasium, shop, home economics room, library, and two other rooms making a total of seventeen pupil station rooms. Many classes, however, and particularly in shop, mathematics, foreign languages, and science are more efficiently taught with small groups. Last year our high school had seventy-three different classes with an average of twenty-one students per class.

SUMMARY OF STATISTICAL INFORMATION

1. All enrollment projections were based upon a projected in-line type.

2. Due to the geographic spread of the town and other economic factors such as the existing town and school debt, it is more important for the future growth and development of Goffstown that the type of school

planning, either a long-range or a short-range approach, is of greater importance than the type of school organization, such as an 8-4, 6-3-3, 6-2-4 plan, etc.

3. The type of school building and organizational plan which is best for Goffstown will be dependent upon the type of planning utilized and pupil enrollment.

4. Any type of construction will be necessarily limited to the borrowing capacity of the school district which at the present time is $1,236,228,26.

5. A study of the previously presented factual information shows conclusively that the high school is now seriously overcrowded and that the present school year is the last year in which it can operate effectively and still maintain the high standards of the past three years. Beginning next fall, either additional room must be found for high school students or drastic overcrowding with the resultant decrease in total efficiency will occur. The elementary figures will also show a need for additional elementary classrooms in the immediate years.

6. Therefore, it is inevitable that the Goffstown School District is now faced with making a decision of a most serious nature which will effect the community for many years to come.

POSSIBLE SOLUTIONS

It is impossible for one person to present the ideal solution to the school building needs of Goffstown. Therefore, in order to better assist the voters in making a decision, some potential solutions with both their positive and negative characteristics will be offered, to be followed by your superintendent's professional recommendation.

General Background

1. A short-range approach is easier to plan and is superficially less expensive than a long-range plan. But the local school population growth and the size of the school debt in relation to our borrowing capacity, makes this approach impractical as our unencumbered borrowing capacity might prohibit doing both.

2. We are faced with two school housing problems; one in the high school area, which will be desperate this fall, and the elementary area, which is expected to be troublesome in the fall of 1963.

Short Range Elementary Planning

1. Some additional elementary classroom space could be made available this fall but no classroom shortage will be experienced until the year of 1963.

2. If a six-classroom addition with an all purpose room-cafeteria is added to the Bartlett School this fall, and if Grades Seven and Eight for Pinardville children are to be included in this addition as originally proposed, then the district would operate a dual junior high level program in the White School and at Bartlett. Because of the great difference in the enrollments of these two grades in both schools, it would be apparent

that both programs would not be equal. The junior high program at Bartlett school would lack sufficient children to make grouping possible and it undoubtedly would cause the elimination of departmentalized teaching for these children. The siphoning away of about 21% of our total seventh and eighth grade population in the White School would also seriously hinder that school's educational program.

3. If a six-classroom addition with an all-purpose room-cafeteria were to be added to Bartlett and this school reserved for Pinardville children in grades one through six, then we might expect to have at least four vacant classrooms in this addition for some time. This event by itself may be no great cause for alarm as the following circumstances might very easily change this picture in a few years; Pinardville is a rapidly growing area and transfer students from St. Edmond's school might fill these vacant rooms.

4. If Grasmere School were to be closed and those children transported to Bartlett, then the first six grades would need nine or ten rooms in 1962-63. The savings effected by the closing of the Grasmere School would be more than offset by the cost of additional transportation and at least two or possibly three additional teachers at Bartlett School.

Long Range Elementary Planning

1. As previously mentioned, under the existing elementary facilities and organization, a classroom shortage of two elementary rooms seem certain in the fall of 1963 and a three-room shortage by the fall of 1964.

2. Neighborhood schools such as Bartlett and Grasmere are pleasant for the children and their parents and may be both educationally and financially efficient. However, a long look must be directed at the Grasmere school due to its double-grade per room organization and its relatively high per pupil cost.

3. To some extent the decision relative to the high school problem will affect the elementary solution. That is, if the high school long-range plan is adopted and a new building is erected, the elementary classroom needs for the greater part of the next decade might be solved at the same time by the utilization of the present high school building as an elementary school.

Short Range High School Planning

1. This plan has two sub-divisions: one calls for an addition to the existing building to provide vitally needed classroom, shop, laboratory and library space and the other plan suggests the purchase of some abutting property, and the construction of an addition which would utilize the gym in the present high school.

2. While both plans may be feasible and would take care of classroom needs for a short time and be cheaper to construct than a new school, they have huge built-in educational and financial imperfections such as lack of physical education and cafeteria facilities. It is ex-

tremely questionable if five years from now Goffstown would be happy with this decision.

Long Range High School Planning

1. The high school classroom shortage has been acute this school year and will be much worse by this fall.

2. The size and capacity of a new school are dependent upon the borrowing capacity of the District. Obviously, the more elementary building that is done, the less money will be available for any high school building.

3. There are at least three organizational plans which might be utilized:

Grades 7-12
Grades 9-12
Grades 10-12

4. The size would also depend on whether or not the new building were to be for Goffstown pupils only or if it were designed for either or both New Boston and Weare. The following charts, based upon an in-line enrollment, are self-explanatory:

PROJECTED IN-LINE ENROLLMENTS

Goffstown

Grades	1961-62	1962-63	1963-64	1964-65	1965-66

10-12	299	397	444	464	421

RECOMMENDATIONS

A Statement of The Problem

1. The greatest problem facing Goffstown is to provide adequate accommodations for its increasing number of school-age children.

2. The high school classroom shortage has been acute this present school year and becomes desperate next fall.

3. The elementary classroom shortage will begin in the fall of 1963.

Proposed Solutions

1. It is recommended that Goffstown adopt a single-all-inclusive long range building plan for both elementary and high school needs.

2. Based upon the urgency of classrooms needed on the high school level, the limited amount of money in the borrowing capacity of the District and the projected enrollments in relation to specific grades, your superintendent again recommends that a new high school be constructed as quickly as possible, that the site be as close to the center of population as possible and that the selected site be compatible with state standards of size, possible expansion, etc. It is further suggested that the present high school be utilized as an elementary school. Present enrollments indicate that this building will take care of our elementary classroom needs until late in this decade even with two or three rooms being used by the junior high school beginning with the fall of 1964.

It is further suggested that this new high school accommodate grades nine through twelve and that every effort be made to induce neighboring towns, particularly New Boston, to send their high school students to this building on a tuition basis.

3. As this new high school will probably not be ready for occupancy before September 1964 and our pupils must be accommodated, the following information becomes most important:

Projected High School Enrollment

1961-62	1962-63	1963-64	1964-65
301	346	376	392

Elementary Classroom Need

1961-62	1962-63	1963-64	1964-65
Satisfactory	Satisfactory	2 Needed	3 Needed

The reasons these facts are now of paramount importance and are hurting us are due to the refusal of the District to meet this building challenge at the high school level and has defeated at the polls two attempts to establish such a school within the past two years. Now a decision has to be made!

Suggested steps which may be utilized until the fall of 1964: High School

The superintendent and staff informed the School Board earlier in this school year that a major decision had to be made in regard to the operation and organization of the high school for next fall due to the large number of students in this school and a desire to maintain our present high standards of scholastic achievement. We also informed the Board that, to the best of our knowledge and ability, we could not satisfactorily schedule classes for the increased enrollment and maintain even a basic degree of satisfactory achievement, and that, therefore, we were professionally forced to recommend either double sessions for the high school or single afternoon sessions for the junior

high group. Because double sessions would have necessitated a double staff of high school teachers (state law) and would have resulted in a curtailment of the high school program, we recommended that the high school student overflow use rooms in the White School during the morning (or for their first four periods of a six-period day). The junior high would begin its session at 12:30 and would operate until 5:30. It was further recommended that the high school students during the last two periods (12:56-3:00) could use the cafeterias in the high and Maple Avenue schools as temporary classrooms or study halls. The use of either or both cafeterias at this time of day would not affect their operation.

The School Board has refused to accept this unanimous recommendation that grades seven and eight go upon an afternoon session.

At this time, March 1962, this dilemma is not resolved. If the Board action remains final, then the High School principal will undoubtedly be forced to crowd High School students into every available space including the cafeteria, stage, and perhaps even the gym. Even if we could crowd the students in for the next school year, and sacrifice educational standards, it would be impossible the following year as sixty-four seniors will graduate and ninety-four freshmen will take their places.

Because of insufficient space, it is imperative that some split- or double-sessions be restored to. Neither is sound, either educationally or financially, but this decision has been forced upon us.

Due to the numbers of children and teachers involved, I would suggest that the High School utilize the facilities of the White School for the next two years and use the present time schedule and that the seventh and eighth grades attend school from 12:30 until 5:30 P.M.

Elementary School 1962-64

1962-63 No classrooms needed.

1963-64 It is expected that two classrooms will be needed at the elementary school. This can be solved temporarily by partitioning off the cafeteria or finding two available rooms outside of school.

We readily admit that these proposals are not ideal and will call for some sacrifices. However, it is for a two-year period and will result in an intelligently designed school building program which will aid two or three future generations of Goffstown children. It will also save money.

It is further suggested that, along with the study of the high school problem, a thorough study be made of the elementary school population and that a definite long-range elementary school building program be formulated. Definite and final decisions should be made at this time with the ultimate use or abandonment of the Grasmere and White Schools. This study will also bring into focus the number of years that the present high school may serve as an elementary school. It

might well be that this study group will make a recommendation that within five or six years from the date of this study a new elementary school of from ten to twenty rooms will be constructed near the center of the elementary school population upon a site large enough for future expansion. It is also recognized that the ultimate construction of this building should have to wait until the existing valuation of Goffstown either increases or the school debt is further reduced to make such a building possible.

Finally, it is suggested that, with all this planning, a building or advisory committee be created to act in conjunction with the school board to make a thorough study of the problem and to relate and compare their findings with the Engelhardt Report.

I wish to express my sincere appreciation to the teacher consultant, principals, teachers and those thoughtful and cooperative citizens who have given us aid and encouragement. Their understanding is deeply appreciated.

Charles H. Minnich, Superintendent of Schools

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Goffstown qualified to vote in district affairs:

You are hereby notified to meet at the High School in said district on the 17th day of March 1962, at 10:00 o'clock in the forenoon and to cast ballots from that hour until at least 7:15 o'clock in the evening of said day for candidates for the following district officers:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

You are also notified to meet at the same place at 7:15 o'clock in the evening of the same day, to act upon the following subjects:

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to authorize the school board to make application for and to accept, on

behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

10. To see if the school district will vote to raise and appropriate a sum of money not to exceed $170,000.00 for the purpose of adding a six-room addition with an all-purpose-cafeteria room to the Bartlett elementary school, and to see if the school district will direct and authorize the School Board to hire an Architect or Architectural firm to prepare plans and specifications for this six-room addition with an all-purpose-cafeteria room, and to then proceed with the building, including the actual construction, the furnishing and equipping and other fees and items necessary for the completion of said six-room addition with an all-purpose-cafeteria room, and to further direct and authorize the School Board to raise such a sum through the issuance of not exceeding one-hundred and seventy thousand dollars ($170,000.00) in serial notes and bonds under and in compliance with the provisions of Chapter #33, Revised Statutes Annotated as amended, to issue and negotiate such notes or bonds and to determine the rate of interest thereon and to take such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such notes or bonds as shall be in the best interest of the Goffstown School District.

11. To see if the school district will vote to transfer the unencumbered balance of $10,877.39 plus accrued interest remaining in the Maple Avenue Addition Construction Fund to the General Fund to be used for the purpose of reducing taxes for the year 1962-63.

12. To see if the school district will vote to raise and appropriate a sum of money not to exceed fifty dollars ($50.00) for the purpose of having an appraisal made and taking an option on the Philbrick property on Elm Street for later school purposes.

13. To see if the school district will vote to raise and appropriate a sum of money not to exceed ten thousand dollars ($10,000.00) to be used for the purpose of hiring an architect or architectural firm to make preliminary plans and cost estimates for a new Goffstown High School.

14. To see if the Goffstown School District will vote to authorize the School Board to negotiate a contract with the New Boston School District to receive their grades seven through twelve as tuition pupils, on a long-term contract, effective on or after September 1963, at rates to be charged by the Goffstown School District within the limits permitted by law.

15. To see if the Goffstown School District will vote to authorize the School Board to negotiate a contract with the Weare School District to receive their grades seven through twelve as tuition pupils, on a long-term contract, effective on or after September 1963, at rates to be charged by the Goffstown School District within the limits permitted by law.

16. To see if the District will vote to appropriate a sum of money not to exceed $10,000.00 for the purpose of hiring an architect or architectural firm to prepare

plans and specifications for a ten room elementary school building to be built at a location in the Pinardville District at a future date to be determined by a committee of twenty to be appointed by the Moderator. This committee will consist of ten members from the Pinardville District and ten members from the Goffstown-Grasmere District. This committee to report on the estimated date of need, location, and cost of such construction at the next annual district meeting. (Inserted by petition.)

17. To see if the District will appropriate a sum of money not to exceed $378,000.00, including all sums available from State and Federal sources for the purpose of building a Classroom Building in the school yard adjacent to the High School. This building to contain a full basement with all the Shop and Home Economics Classrooms located in it; a first floor with a Library, an inclined Science Lecture Hall, a Physics-General Science Laboratory and a Chemistry-Biology Laboratory; and a second floor with six (6) full sized classrooms. This building to contain approximately 25,000 square feet. To also see if the District will direct and authorize the School Board to hire an Architect or Architectural Firm to prepare plans and specifications for this Classroom Building and to then proceed with building, including the actual construction; the furnishing and equipping; and other fees and items necessary for the completion of said Classroom Building; and to further direct and authorize the School Board to raise such a sum thru the issuance of not exceeding $378,000.00 in serial notes and bonds under and in compliance with the provisions of Chapter #33, Revised Statutes Annotated as Amended; to issue and negotiate for such notes or bonds, to determine the rate of interest thereon, and to take such action as may be necessary to effect the issuance, negotiation, sale and delivery of such notes or bonds as shall be in the best interest of the Goffstown School District. (Inserted by petition.)

18. To see if the District will vote to appropriate a sum of money not to exceed seven hundred thousand dollars ($700,000.00), including all sums available from state and federal sources, for the purpose of acquiring land and the houses thereon situated between Cottage and Parker Streets in the town of Goffstown, New Hampshire, excluding, however, property owned by Mary and Daniel Earl, and to see if the District will direct and authorize the School Board to hire an architect or architectural firm to prepare plans and specifications for a three story cement block and brick addition to the existing high school facility being of the approximate size and capacity of the Bennington, Vermont, Central Catholic High School designed and completed by Dirsa and Lampron Architects of Manchester, New Hampshire, in 1957 and including space as set forth in that building with exception of Chapel, but including two laboratories, library, office space, and cafeteria; then further to proceed with building, including the actual construction, the furnishing and equipping of the building including other fees and items necessary for the completion of above described addition,

and to further direct and authorize the School Board to raise such a sum through the issuance of not exceeding seven hundred thousand dollars ($700,000.00) in serial notes or bonds, under, and in compliance with the provisions of Chapter No. 33, Revised Statutes Annotated as Amended, to issue and negotiate such notes and bonds, and to determine the rate of interest thereon, and to take such action as may be necessary to effect the issuance, negotiations, sale, and delivery of such notes or bonds as shall be in the best interest of the Goffstown School District. (Inserted by petition.)

19. To see if the voters of the Goffstown School District will vote to elect its district officers, namely, a moderator, a clerk, a treasurer, and school board members, at the annual town meeting, (RSA 197:1-a) and provide that the town election officials shall act in like capacity for the school district in conducting such school district elections at the town polls at the Town Hall and the Pinardville Fire Station. (RSA 197:1-e).

20. To transact any other business that may legally come before said meeting.

Given under our hands at said Goffstown this 15th day of February, 1962.

RECORD OF ANNUAL SCHOOL MEETING

March 11, 1961

Meeting called to order at 12:00 o'clock noon by the Moderator, Gordon F. Burns. Call for the meeting was read.

The following motion was made by Mr. Hecker. I move that the polls now be opened for voting on Articles One through Four, that the balance of the Warrant be read and acted upon at 7:15 P.M. in the evening, the Polls close at 7:00 P.M. and that our next Annual School Meeting open at 10:00 o'clock in the forenoon. Motion was carried.

At 7:15 P.M. the meeting reconvened for the purpose of acting on the balance of the Articles in the Warrant. Voted to dispense with the reading of the Articles and to take up each one as they appeared on the Warrant.

ARTICLE 1

Voted that the salaries of the School Board Truant Officer and other officers of the district remain the same as the past year.

ARTICLE 2

Voted to accept the reports of the Officers of the School District as printed in the Town Report.

ARTICLE 3

Voted to pass over this article for the present.

ARTICLE 4

Report of the Budget Committee was given at this time by the Chairman Nathaniel Bigelow. After the report he offered the following Motion. I move the District raise and appropriate the sum of $445,542.73 for the support of Schools, for the Salaries of School District officials and Agents and for the payment of statutory obligations of the District and to apply against said figure the sum of $43,835.02 leaving a balance of $401,707.71 to be raised by taxes by the Town. Motion was carried.

ARTICLE 5

I move that the district vote to authorize the School Board to make application for and to accept on behalf of the District any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States. Voted to act favorable on this article.

ARTICLE 6

I move that the District vote to appropriate any funds received from tuition for so called state wards toward payment of General Expense of the year 1960-1961. Voted to amend the Article to read for the years 1960-1961- and 1962.

Voted to act favorable on this motion as amended.

ARTICLE 7

As the $3,000.00 mentioned in this Article was included in the budget the Article was amended to read "To repair the roof and parapet on the Bartlett School. Voted to accept the article as amended.

ARTICLE 8

I move that the District vote to direct and authorize the School Board to purchase options at their discretion, when available on property located close to or adjoining existing school areas. Monies necessary for these option or the ultimate purchase of any properties shall have the approval of the Budget Committee (Inserted by petition).

Motion was made to accept this article. Motion not carried.

ARTICLE 9

Motion was made we disaprove of Article 9 and that we act unfavorable on it. Motion was carried and Article was defeated.

ARTICLE 10

Motion was made we disapprove of Article 10, and to act unfavorable on it. Motion was carried and Article was defeated. Returned to Article Three.

ARTICLE 3

It was voted that the State Auditors serve as Auditors for the District and on completion of the Audit

that they immediately send a copy of the same to the Budget Committee.

Mr. Hambleton made the following motion: I move that provided the Town adopts the non-partisan ballot system, the Moderator appoint a Committee of three (3) voters to meet with a Committee appointed by the Town Moderator to work out a plan whereby the Annual Balloting for District Officers may be carried out on a separate ballot at the same polls and at the same time as the Annual Balloting for the Town Officers and that the Committee make a report at the next annual School Meeting. Motion was carried.

Mr. McKernan then spoke regarding the services rendered the School District by Mr. Hecker and Mr. MacAskill and a vote of thanks was given them. Mr. Hecker and Mr. MacAskill did not seek reelection.

There being no further business it was voted the polls remain open till 8:30 o'clock. At this time the polls were closed and ballots counted.

Total number of ballots cast	593
Gordon F. Burns for Moderator had	528
Carl B. Pattee for Clerk had	525

REPORT

of an examination and audit of the accounts

of the

GOFFSTOWN SCHOOL DISTRICT

for the fiscal year ended June 30, 1961

made by

THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
July 19 & 20, 1961

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 4, 1961

The School Board
Goffstown School District
Goffstown, New Hampshire

Gentlemen:

Submitted herewith is the report of the examination and audit of the accounts of the Goffstown School District for the fiscal year ended June 30, 1961, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1960 and June 30, 1961, are presented in Exhibit A. As indicated therein, the Net Debt increased by $109,996.79 during the fiscal year ended June 30, 1961.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1961, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of $28,825.79, less a revenue deficit of $28,026.60, resulted in a net budget surplus of $799.19.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1961, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1961, is included in Exhibit F.

Building Fund Account: (Exhibit G)

A statement showing the activity in the special building fund account for the fiscal year ended June 30, 1961, is presented in Exhibit G. As indicated therein, as of that date, there remained a balance of $10,877.39 in this account.

School Lunch Account: (Exhibit H)

A statement of the receipts and expenditures of the School Lunch account during the fiscal year is included in Exhibit H.

Statement of Bonded Debt: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1961, showing annual debt service requirements, is contained in Exhibit I.

Statement of School Tax Account: (Exhibit J)

Exhibit J presents a statement of the School Tax account with the Town of Goffstown. As indicated therein, as of June 30, 1961, a pre-payment on account of the 1961-62 School Tax in the amount of $6,500.00, had been made by the Town to the School District. This represented a deficiency appropriation of like amount made at the March 1961 annual meeting of the District.

Therefore, the amount of the 1961-62 School Tax which the District will receive during the fiscal year ended June 30, 1962, will be reduced by $6,500.00.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from $7,160.62 to $663.83, during the fiscal year ended June 30, 1961, as shown herewith:

	June 30, 1960	June 30, 1961
Total Assets	$7,160.62	$11,541.22
Current Liabilities	-0-	10,877.39
Current Surplus	$7,160.62	$ 663.83

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Goffs-

town School District for their assistance during the course of the audit.

Yours very truly,
Harold G. Fowler
Director
Division of Municipal Accounting
State Tax Commission

Joseph W. Boudreau, Auditor
Laurence M. Bean, Accountant
August 4, 1961

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Goffstown School District for the fiscal year ended June 30, 1961. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1961, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,
Harold G. Fowler
Director
Division of Municipal Accounting
State Tax Commission

Joseph W. Boudreau, Auditor
Laurence M. Bean, Accountant

Rent		33.25		
	$47,173.98	$19,147.38	$2,217.76	$30,244.36

BUDGET SUMMARY

Unexpended Balances of Appropriations	$30,847.91		
Overdrafts of Appropriations	2,022.12		
Net Unexpended Balance of Appropriations		$28,825.79	
Estimated Revenues	$47,173.98		
Actual Revenues	19,147.38		
Revenue Deficit		28,026.60	
Net Budget Surplus			$ 799.19

NOTE: Deficit in "Other Receipts" and unexpended balance in "School Lunch Accounts" are due to the method of handling the School Lunch receipts and payments. Prior to this year, all transactions went through general funds while this year they were kept in a separate account, although appropriation and estimated revenue items had already been included in the budget for the School Lunch Program.
